# *Welcoming Angels*

Dear friend,

**Re: Your physical & spiritual wellness.**

I hope it is well with you and that you are healthy in body as you are strong in the spirit. (3 John 1:2)

The quotations in this booklet, taken from the Holy Bible are from the perspective of Jesus speaking to you the reader. I therefore encourage you to read it slowly and thoughtfully.

I will be praying for you the reader who works in the hospitality service and who continues to walk in the truth and do what is right. For this is the case.

This year, the Holy Spirit alerted our ministry to the physical and spiritual wellness of like-minded individuals like yourself working in the hospitality industry.

Our mission is to collaborate with you by supporting you, raise your awareness and also inspire change in your spiritual wellness.

We have been led to reach out to you and your establishment because we appreciate the dedication and commitment it takes for people like you to practice hospitality daily with kindness, based on the Word of God in Hebrews 13v2, where it states:

“Do not forget to entertain strangers, for by so doing many people have entertained angels without knowing it.

It is also written: “Share with God's people who are in need. Practice hospitality “ - Romans 12v13.

Did you know that as someone in the hospitality service, you are operating under this God's powerful anointing?

This power flows from the spiritual reality that we are God's image bearers in the earth - A royal priest who carry Jesus' authority and grace. We are containers of His Grace, ready to spill out supernatural power to anyone in need. (See Matthew 25v34-36). This gives your service in hospitality enormous weight in both the natural and spiritual worlds.

As you read in the quote earlier on, you may have entertained angels without knowing it! You see, things in the heavenlies move and change in response to our righteous stand in Christ.

One of the most powerful uses of our right stand in Christ is through practicing hospitality, using God's given gift, the power of LOVE, to bless others and transform lives.

**Matthew 5v15**

“You are the salt  
of the earth...”

The Apostle Paul in writing to the scattered believers said summing up:

“Be agreeable, be sympathetic, be loving, be compassionate, be humble - no retaliation, no sharp sarcasm, instead bless.” That is your job - to bless. You will be a blessing. (See 1 Peter 3v8-9)

You may be unaware of this and just hearing it for the first time. But as you work in the hospitality service in your everyday life, that is exactly what you are doing as the scripture verse suggested earlier on. This too is a gift from God, an act of mercy that we are called to perform every day.

The point of my letter to you today is that, as like minded individuals in the hospitality service, we desire and envisage that you are healthy in body as well as in the spirit.

## Matthew 11v28

“Come to me, all you who are weary and burdened, and I will give you rest.”
